INVITATION FOR BIDS

NEW HANOVER COUNTY INVITATION TO SUBMIT PROPOSAL FOR LANDFILL GAS COLLECTION AND CONTROL SYSTEM CONSTRUCTION

RFB # 18-0197

Sealed bids addressed to Kim Roane, Business Officer, New Hanover County Environmental Department, 3002 U.S. Highway 421 North, Wilmington, North Carolina 28401 and marked "**Landfill Gas Collection and Control System Construction - RFB # 18-0197**" will be accepted until **2:00 P.M. EST, May 15, 2018.**

Instructions for submitting bids, bid documents, and complete requirements and information may be obtained by visiting the County's website <http://www.nhcgov.com/business-nhc/bids/>. All prime bidders on this project must be pre-qualified in accordance with New Hanover County's Pre-Qualification Ordinance, in order to bid. Bids will not be opened unless the bidder is pre-qualified. Pre-qualification applications may be obtained at the County Legal Department, 230 Government Center Drive, Suite 155, Wilmington, N.C. 28403 or by visiting the County's website.

A **MANDATORY** pre-bid meeting will be held on **April 17, 2018 at 2:00 P.M.** The meeting will be held at the New Hanover County Environmental Management Department Conference Room, 3002 U.S. Highway 421 North, Wilmington, North Carolina 28401.

This project includes providing the equipment and construction of a landfill gas (LFG) collection and control system at the New Hanover County Landfill. This includes providing and installation of landfill gas (LFG) blower and flare equipment, air compressor, high density polyethylene (HDPE) piping, connection to existing LFG extraction wells, and pneumatic pumps.

Each bid must be accompanied by a Bid Bond made payable to New Hanover County, for an amount equal to 5% of the total base bid price as a guarantee that, if the bid is accepted, the required Agreement will be executed and that a 100% Performance Bond and 100% Payment Bond will be furnished.

Bidders must be licensed contractors in the State of North Carolina at the time bid are submitted. Pursuant to N.C.G.S. §8715, it will be necessary for contractors to show evidence of such license in the bid document.

This Invitation to Bid is being used to solicit responses from suitably qualified, experienced and licensed contractors to qualify for services related to the construction of the landfill gas collection and control system in New Hanover County, North Carolina.

Contractor will be required to comply with OSHA and all federal, state and local laws, ordinances, rules and regulations that in any way affect the Work and will be required to review/endorse the County's Contractor Compliance Requirements in Section 004300.05. Bidders will be required to submit a Qualification Questionnaire located in Section 004113.01 as part of their bid to demonstrate qualifications to perform the Work.

The bidder shall make good faith efforts, as defined in the bid specifications, to subcontract 10% of the dollar value of the single prime contract to businesses owned and controlled by minorities. Individuals who are rebuttably presumed to be minorities include women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, and Asian-Indian Americans. Bidders are required to submit, along with the bid, information concerning minority business enterprises which will participate in the contract. The information will include: (1) name and address of each minority firm; (2) description of the work to be performed by each minority firm named; and (3) the dollar value of the work to be performed by each firm named. Bidders are required to submit along with the bid, specific documentation demonstrating that they made good faith efforts to meet established goals. A bid which fails to meet these requirements may be considered non-responsive. Contact Lena Butler at Lbutler@nhcgov.com concerning questions related to this issue.

New Hanover County reserves the right to accept or reject any or all bids and to make the purchase which will be in the best interest of the County.

STACY HILL ROAD WATER LINE EXTENSION

Sealed bids for the project entitled **Stacy Hill Road Water Line Extension** will be received by **McDowell County** until 2:00 PM local time on **May 9, 2018** in the **Board of Commissioners Meeting Room of the McDowell County Administration Building** located at **60 East Court Street, Marion, North Carolina**. At said place and time, all Bids that have been duly received, will be publicly opened and read aloud.

A pre-bid conference will be held on **April 24, 2018 at 10:00 AM** in the **Board of Commissioners Meeting Room of the McDowell County Administration Building** located at **60 East Court Street, Marion, North Carolina**. Interested parties are invited to attend this meeting to review the plans, ask for additional information or clarification and to visit the project site.

THE PROJECT GENERALLY CONSISTS OF the installation of approximately 10,150 linear feet of 12-inch DIP water main with related fittings, valves, and appurtenances and the installation of a new master meter vault on the Base Bid. In addition, Alternate Bid No. 1 consists of approximately 1,350 linear feet of 12-inch DIP water main with related fittings, valves, and appurtenances and 275 linear feet of HDPE installed by HDD.

The Bidding Documents for the project may be examined at the following locations during normal business hours:

McDowell County
Marion, North Carolina

McGill Associates, PA
55 Broad Street, Asheville, NC

Digital copies of Bid Documents are available for purchase at www.mcgillengineers.com for a fee of \$75.00 per set. These documents may be downloaded by selecting this project from the "Bids" link and by entering **Quest Project Number 5702341**. For assistance and free membership registration, contact QuestCDN at (952) 233-1632 or info@questcdn.com.

Each bid shall be accompanied with a cash deposit or certified check drawn on a bank or trust company insured by the FDIC or a Bid Bond prepared on the form of Bid Bond contained in the Bidding Documents or a Surety Company's standard form and properly executed by a corporate surety licensed under the laws of North Carolina to execute such bonds. The amount of the bid bond shall be equal to **five (5) percent** of the total of the bid. The bid deposit shall be retained by the Owner if the successful bidder fails to execute the contract or fails to provide the required bonds, as stated above, within ten (10) days after the proper notice of award of the contract.

Bidders must comply with the requirements of the State of North Carolina and be appropriately licensed as a Contractor as provided in General Statutes Chapter 87.

Neither the Owner nor the Engineer will be responsible for full or partial sets of Bidding Documents, including any Addenda, obtained from any source other than the Owner's representative, McGill Associates, P.A. Each Bidder shall be responsible for the review of all addenda for the project and shall acknowledge the addenda on the bid form.

The Owner reserves the right to reject any and all Bids, to waive informalities, or to reject non-conforming, non-responsive, or conditional bids. The Owner reserves the right to award a contract to the lowest, responsive, responsible bidder or bidders, taking into consideration quality, performance and time.

All bidders must comply with the President's Executive Order Numbers 11246 which prohibit discrimination in employment regarding race, creed, color, sex or national origin. All bidders must comply with title VI of the Civil Rights Act of 1964, the Anti-Kickback Act and the Contract Work Hours and Safety Standards Act, Section 508 of the Clean Water Act, Executive Order 11738, and the Environmental Protection Agency regulations (40CFR part 15). All bidders must make positive efforts to use small and minority owned business and women business enterprises. Certifications, documentation, and reporting are to be submitted as required by the Contract documents. All bids shall be submitted as set forth in the Instructions to Bidders. Each bid must be accompanied by a 5% Bid Bond. A 100% Payment Bond and a 100% Performance Bond will be required.
