#### FREDRICK E. TURNAGE ADMINISTRATIVE BUILDING STAIR TOWER REPAIR PROJECT CRM #76234

Pursuant to Section 143-129 of the General Statutes of North Carolina, the City of Rocky Mount is receiving bid prices for CRM# 76234 – Fredrick E. Turnage Administrative Building Stair Tower Repair Project. All companies providing a bid price proposal must be duly licensed. All bid price proposal responses are due to the City of Rocky Mount Purchasing office by 2:00 p.m., on Thursday, May 10, 2018, at which time they will be publicly opened and read in Conference Room #3 located on the second floor of the Administrative Complex. The Company awarded the contract shall be responsible for providing all labor, transportation, and insurance needed to perform the project in a safe and workmanlike manner for acceptance by the City of Rocky Mount.

A pre-bid conference will be held on Wednesday, April 25, 2018 at 10:00 a.m. in Conference Room #3 located on the second floor of the Fredrick E. Turnage Administrative Building located at 331 South Franklin Street. The City of Rocky Mount is seeking 5% minority business participation on this project. Single prime contractors, minority business owners and subcontractors are urged to attend the pre-bid to review the worksite and fully understand the specified requirements.

Instructions for submitting bids and complete specifications for the equipment, supplies, or services desired may be obtained at the office of the City Purchasing Manager on the fourth floor of the Administrative Complex Building during regular office hours of 8:30 a.m. through 5:00 p.m., Monday through Friday. Bid price proposals are to be mailed to CITY OF ROCKY MOUNT, PURCHASING OFFICE, ATTN: RAMONA PLEMMER, 331 S. FRANKLIN ST. ROCKY MOUNT, NC 27804. Bids may be hand delivered to the Purchasing Office located on the 4th floor of the Administrative Building.

The City of Rocky Mount project manager is Michael Baughn, Property Risk Manager, and he can be contacted by calling 252-972-1202 or by email at michael.baughn@rockymountnc.gov .

The City of Rocky Mount contact person is Ramona Plemmer, Senior Purchasing Technician and she can be contacted by calling 252-972-1226 or by email at ramona.plemmer@rockymountnc.gov.

The City of Rocky Mount will not discriminate against any bidder submitting a bid because of race, creed, color, national origin or handicap. The City of Rocky Mount reserves the right to reject any and all bids.

### ADVERTISEMENT FOR BIDS

Sealed Bids for construction of the Central Pump Station Decommissioning Gravity Sewer will be received by the Town of Clayton, NC (Owner) in the Training Room located at the Clayton Operations Center, 653 Highway 42 West, Clayton, NC 27520 until 1:00 pm, local time, on Wednesday, April 25, 2018. Any Bids received after the specified time will not be considered.

Bids will then be publicly opened and read aloud.

The Project contemplated consists of the following major Work items:

- Approximately 600 linear feet (LF) of 8-inch and 1,700 LF of gravity wastewater line from the Town of Clayton’s existing sanitary sewer Central Pump Station to the existing gravity sewer line north of the Town’s Sam’s Branch Interceptor, connection to the existing sanitary collection system, and appurtenant Work, including:
- 250 linear feet of 8-inch polyvinyl chloride (PVC) gravity wastewater line,
- 350 linear feet of 8-inch ductile iron gravity wastewater line,
- 1350 linear feet of 10-inch polyvinyl chloride (PVC) gravity wastewater line,
- 350 linear feet of 10-inch ductile iron gravity wastewater line.
- Abandonment of the existing approximately 200,000 gallons per day capacity sanitary sewer Central Pump Station, related selective demolition, salvage and return of pump station equipment to the Owner, and appurtenant Work.

The Work shall be completed in all respects within 180 calendar days from the Contract start date specified in the Notice to Proceed.

Bidding Documents may be examined in Owner’s office, Town of Clayton Operations Center, 653 Highway 42 West, Clayton, NC 27520 or at Engineer’s office, CH2M HILL North Carolina, Inc., 3120 Highwoods Boulevard, Suite 214, Raleigh, NC 27604. Bidding Documents may be obtained from the Engineer’s office upon payment (check or money order made payable to “CH2M HILL”) of \$150.00 for each hardcopy set of documents (Specifications and 11 inch by 17-inch Drawings). Bidding Documents are also available free of charge on compact disc in secured portable document format (PDF). Return of the documents is not required, and amount paid for the documents is nonrefundable.

To obtain Bidding Documents via mail, send requests to the attention of Thomas DeWolfe, telephone: (919) 760-1746, email: Thomas.DeWolfe@ch2m.com at the office of the Engineer. Include check or money order in the amount noted above, plus \$20.00 shipping.

To address technical questions related to the Project, contact the office of the Engineer, attention: Philip Ogden, P.E., telephone: (919) 760-1767 or email: Philip.Ogden@ch2m.com. The office of the Engineer is the only point from which information will be disseminated.

The following plan room services have received sets of Bidding Documents:

ConstructConnect; iSQFT; Construction Market Data; McGraw Hill Dodge Company; and Construction Journal.

Each Bid must be submitted on the prescribed Bid Form and accompanied by Bid security as prescribed in the Instructions to Bidders.

The Successful Bidder will be required to furnish the additional bond(s) and insurance prescribed in the Bidding Documents.

In order to perform public work, the Successful Bidder and Subcontractors shall hold such licenses as required by North Carolina Statutes, and federal and local Laws and Regulations. Bidder must submit evidence of license with its Bid. No Bid will be considered without such evidence.

There will be no pre-bid conference. Questions will be accepted up to 5:00 pm on Friday, April 20th, 2018.

Bidders shall be required to submit with their Bids affidavits of “Good Faith Efforts” in the recruitment of Minority Businesses. Owner is an Equal Opportunity Employer and does not discriminate. Small, minority and woman-owned businesses and labor surplus area firms are encouraged to submit bids.

This project will be partially funded with Federal funds from the United States Department of Commerce, Economic

Development Administration and therefore is subject to the Federal laws and regulations associated with that program.

Owner’s right is reserved to reject all Bids or any Bid not conforming to the intent and purpose of the Bidding Documents.

Dated this 19th day of April 2018.

By Town of Clayton

### ATTENTION MINORITY/HUB CONTRACTORS:

Barnhill Contracting Company has been selected as the Construction Manager at Risk by the Greenville Utilities Commission (GUC) for the New Engineering and Operations Center project and will be conducting an Informational Session to help teach about the project and the scope of the bid package. You are encouraged to attend the following session to learn more about project participation opportunities available to you. This meeting will be held on Monday, April 23, 2018 at 6:00 PM, at the Greenville Utilities Operations Center at 801 Mumford Road, Greenville, NC 27834, in Building A, Training Room.

This session will help to: Learn about the project and the scope of the bid package; Inform and train Minority/HUB contractors in preparation for bidding this project; Assist in registration on the State of North Carolina Vendor link; and stimulate opportunities for networking with other firms.

This project consists of the Sitework portion of the new construction of the GUC New Engineering and Operations Center project. This project will be located in Greenville, NC, and includes all civil work to prepare, clear, grub, grade, pave, and perform utility work on approximately 80 acres of land. Prequalification forms can be found on our online plan room at www.barnhillplanroom.com under the Greenville Utilities Commission project under Public Jobs. Barnhill Contracting Company is dedicated to ensuring Historically Underutilized Business & Minority Business participation in this project and would like to show our support of your business through our MWBE Informational Session.

### ATTENTION: DBES

AN EQUAL OPPORTUNITY EMPLOYER

### ASHEBORO CITY SCHOOLS PREQUALIFICATION OF CONTRACTORS ASHEBORO HIGH SCHOOL ADDITION AND RENOVATIONS

In accordance with NCGS 143-135.8, Asheboro City Schools intends to prequalify interested contractors for the construction of an addition and renovation for Asheboro High School. The proposed facility is to be a two (2) story, 37,670 square foot addition and miscellaneous renovations to the existing structure. The project includes a mechanical penthouse and includes a classroom wing and a student commons/café space with an associated catering kitchen. The work will include plumbing, mechanical, electrical, and fire protection systems.

The new addition will include masonry load bearing construction with a partial steel frame connection to the existing building. The foundation system will consist of shallow concrete footings under each column and continuous concrete footings along each exterior or load bearing wall. Interior non-load bearing walls will be placed on thickened slabs. The first-floor slab-on-grade will be a reinforced 4" concrete slab. The elevated floor slabs will be concrete on metal deck supported primarily by bar joists with intermittent steel beams. The roof system will be TPO membrane roofing, metal deck on bar joists, with steel beams supporting the penthouse.

The heating and cooling system will consist of a four-pipe system. The existing water-cooled chillers will be replaced and increased in size to accommodate the new addition as well as adding the main and auxiliary gyms to the system. The cooling towers will be replaced. Chilled water will be provided by the new larger water-cooled chillers placed in the original mechanical room. Hot water will be provided by the new high efficiency natural gas fired condensing boilers located in the original boiler room.

A complete fire protection system will be provided for the new addition and renovated areas. An associative fire pump will be provided with emergency backup power.

The proposed facility will be located at 1221 South Park Street, Asheboro, NC. The project will be bid as a single prime project.

Prequalification application forms along with the approved county prequalification policy may be obtained at www.smithsinnett.com or by contacting Rhonda Angerio at Smith Sinnett Architecture by email rangerio@smithsinnett.com or phone (919) 781-8582. Applications are due to Smith Sinnett Architecture by 5:00 PM, May 4, 2018. No application forms will be accepted after this time.

Only contractors that have been prequalified by Asheboro City Schools will be able to submit a bid package for the construction of the facility.

Asheboro City Schools reserves the right to reject any and all applications; to waive all technicalities and irregularities; and to request additional information from an applicant.

Harold Blair, Asheboro City Schools, Assistant Superintendent of Business and Finance
