REQUEST FOR QUALIFICATIONS STATEMENT

Talbert & Bright, Inc. is requesting letters of interest and brief statement of qualifications from DBE firms to perform the described **professional services projects at the Wilmington International Airport**:

Surveying (Boundary and Topography)
Geotechnical Testing
Appraisal
Phase I ESA
Environmental Consulting
Electrical Engineering Design
Aviation Planning and Consulting

If your firm would like to be considered for these consulting services, you may express your interest by responding to the address below. Please limit your letter of interest to no more than two pages. This letter should include a statement to indicate why your firm is interested in subconsulting work on airport projects. It should also include any other information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those persons, other projects your company has recently completed or is now doing, and experience on airport projects.

DBE firms must be certified by the North Carolina Department of Transportation in order to be counted as participation towards DBE Goals.

We request all letters to be received by 12:00 pm, May 18, 2018.

PIEDMONT TRIAD AIRPORT AUTHORITY

REQUEST FOR QUALIFICATIONS (RFQ) for FAR PART 150 NOISE COMPATIBILITY STUDY

at the PIEDMONT TRIAD INTERNATIONAL AIRPORT

The **Piedmont Triad Airport Authority (PTAA)** will receive Statements of Qualifications (SOQs) from interested firms for the services described in the RFQ at the time and place stated below. Information related to this RFQ, including complete RFQ and any addenda, will be posted to the Piedmont Triad International Airport website under Airport Operations, which can be found at <http://flyfrompti.com>.

PROJECT DESCRIPTION: Professional consulting services to conduct all facets of a Federal Aviation Regulation (FAR) Part 150 Noise Compatibility Study for the Piedmont Triad International Airport (GSO). The purpose of the proposed Part 150 Noise Compatibility Study is to develop updated noise exposure maps (NEMs) for land use planning and noise mitigation in and around GSO, and to potentially update PTAA's Noise Compatibility Program (NCP).

To be considered for this assignment, firms must specifically demonstrate experience in the conduct of Part 150 Noise Compatibility Studies and the technical capacity to perform the work.

The Noise Compatibility Study will include the following elements: Review GSO's existing Part 150 Study, noise data and noise compatibility measures; Develop a comprehensive data base for existing aviation activity at GSO and for surrounding land use; Prepare an aviation forecast for the future study year, expected fleet mix, runway use, flight tracks and day-night breakdown; Develop and implement a program for consultation with aircraft operators at GSO, local governments and FAA ATC; Prepare NEMs for existing conditions and for the future study year; Recommend revised and additional noise abatement measures for consideration by PTAA with an evaluation of their expected impact and prepare an updated NCP for GSO; Identify compatible and non-compatible land uses in the area surrounding GSO; Submit proposed NEMs and the NCP to the FAA with required documentation, respond to FAA requests for information or revisions and assist in obtaining final FAA approval of the NEMs and NCP; Provide study data and analyses to local governments for land use planning; and Consult with and advise PTAA during all phases of the Study. A final scope of work will be developed during the negotiation process with the selected firm.

Interested firms should submit six (6) copies of its Statement of Qualifications, on or before 11:00 A.M. EST, Friday, June 8, 2018, to PTAA, c/o Mr. Alex Rosser, P.E., 1000A Ted Johnson Parkway, Greensboro, NC 27409, in a sealed envelope, box or package, and clearly marked on the outside with the following: "GSO FAR PART 150 NOISE COMPATIBILITY STUDY RFQ RESPONSE ENCLOSED". Respondent's firm name, address, phone and primary contact person. Proposals received by PTAA after the above date and time will not be considered and will be returned unopened.

Questions or information requests should be submitted via email to Ms. Kimberly Hodges, hodgesk@gsoair.org prior to 5:00 P.M. EST, Thursday, May 31, 2018. Firms are advised that any information provided or questions asked will be provided to all interested firms via addendum. Interested firms should email hodgesk@gsoair.org prior to 5:00 P.M. EST, Thursday, May 31, 2018 to be added to the distribution list.

The Piedmont Triad Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Respondents that it will affirmatively ensure that, in any contract entered into pursuant to this RFQ, disadvantaged business enterprises will be afforded full and fair opportunity to submit their responses to this RFQ and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

ADVERTISEMENT FOR BIDDERS

**CITY OF NEW BERN
JOHNSON STREET &
KING STREET WATER,
SEWER, & STORM DRAIN
IMPROVEMENTS
NEW BERN PROJECT NO. 18-004**

Sealed bids will be received by the Office of the City Engineer in the Public Utilities Administration Building at 210 Kale Road, New Bern, North Carolina, until **11:00 a.m. on Thursday June 7th, 2018** and immediately thereafter publicly opened and read, for constructing the following facilities:

The installation of 940 linear feet of 2" PVC water main, replacement of 1,150 linear feet of gravity sewer piping, replacement of 1,390 linear feet of storm drain, replacement of 3 sanitary sewer manholes, 17 new storm drain structures, 5,000 square yards of asphalt pavement removal and replacement, and approximately 29 service tie-ins for water and sewer along Johnson Street and King Street.

Bids must be enclosed in a sealed envelope, addressed to the City of New Bern, PO Box 1129, New Bern, NC 28563. The outside of the envelope must be marked "**Bid for Johnson Street & King Street Water, Sewer, & Storm Drain Improvements**". All bids must be made on blank forms provided and included in the bound document. The name, address, and license number of the Bidder must be plainly marked thereon.

Each Bid must be accompanied by cash or a certified check, drawn on a bank or trust company authorized to do business in North Carolina, payable to the City of New Bern in an amount at least equal to five percent (5%) of the total amount of the bid, as a guarantee that a contract will be entered into. In lieu of cash or certified check, the Bidder may submit a bid bond in the form prescribed in G.S. 143-129 as amended by Chapter 1104 of the Public Laws of 1951.

Contractors are notified that legislative acts relating to licensing of contractors will be observed in receiving and awarding contracts. The City encourages the participation of small and minority contractors.

In accordance with the Minority Participation Goals, potential prime Contractors are encouraged to attend the Pre-Bid Conference to be held in the Office of the City Engineer located in the Public Utilities Administration Building at 210 Kale, New Bern, North Carolina on **Thursday May 24th, 2018 at 11:00 a.m.**

Plans and specifications for the proposed project are on file and may be viewed at the Office of the City Engineer and on the City's website at: <http://www.newbern-nc.org/business/bids-proposals/>.

Plans and specifications may be obtained upon request to the City Engineer (252) 639-7526, accompanied with a non-refundable check in the amount of \$50.00.

NOTICE TO BIDDERS

**CITY OF SANFORD
GREENSBORO AVENUE
SANITARY SEWER EXTENSION**

Pursuant to North Carolina General Statutes Section 143-129, sealed Bids will be received by the **City of Sanford, North Carolina** until **Thursday, June 21, 2018 at 10:00 AM** and then publicly opened and read aloud for the construction of **City of Sanford Greensboro Avenue Sewer Extension**. The bid opening will be held at the **City of Sanford (Engineering Dept), North Carolina** at 225 E. Weatherspoon Street, Sanford, North Carolina, 27330.

Bids shall be for furnishing of all labor, materials and equipment as detailed on the contract documents dated February 2018. The major project items include:

- Temporary traffic control
- Sanitary sewer main installation
- Sanitary sewer service installation
- Asphalt patching

Each Bidder shall be appropriately licensed in the State of North Carolina as a Public Utilities Contractor as provided in General Statutes Chapter 87 and have the ability to produce evidence of experience in construction of projects of similar size and nature. Bidders must be able to comply with all local, state, and federal contract provisions as specified in the contract documents.

The contract documents may be purchased for a non-refundable fee of \$20.00 at the office of the Owner's Engineers (call for an appointment):

J Thomas Engineering, Inc.
143 Charlotte Avenue, Suite 104
Sanford, North Carolina 27330
tel. 919-777-6010
em. jthomas@jthomasengineering.com
Attn: Jeremy R. Thomas, P.E.

The contract documents are available for examination online at isqft.com. The Owner's Engineer will also make the contract documents available for examination via email. **However, only bids submitted on the Bid Form included in the Project Specifications purchased directly from the Engineer will be accepted.** The Owner reserves the right to reject any and all Bids and any part of a Bid, and to waive formalities and technicalities in the Bids. The Bid shall remain subject to acceptance and not withdrawn for a period of sixty (60) days after the date of the bid opening.

The City of Sanford is an equal opportunity employer and services provider. The City specifically encourages small, minority, and women owned businesses to submit bids.
