WAYNE COUNTY SECTION 3 BUSINESS AND EMPLOYMENT NOTICE

LOCAL ECONOMIC BENEFIT FOR LOW AND VERY LOW-INCOME PERSONS WAYNE COUNTY HMGP ACQUISITION PROJECT AND CDBG-DR RECOVERY PROJECT:

Wayne County is preparing to carry out two Hurricane Matthew recovery projects through the use of federal Hazard Mitigation Grant Program (HMGP) funds and Community Development Block Grant Disaster Recovery (CDBG-DR) Funds received from the NC Division of Emergency Management (NCEM). The County has received approximately \$9.5 million in federal HMGP funds (representing 100% of total project costs) for the acquisition of 84 residential properties impacted by Hurricane Matthew. The Town has received approximately \$8.8 million in federal CDBG-DR funds (representing 100% of total project costs) for repair, replacement, demolition, elevation, and acquisition of residential housing units damaged by Hurricane Matthew. As part of these two federal Projects, the County will comply with Section 3 requirements and take steps to make work and contract opportunities available to low and very low-income residents and businesses of the area to the greatest extent feasible. During the implementation of these Projects over the next several years, the following jobs, contracts and supplies may be available through Wayne County or NCEM: Repair, replacement, elevation and construction contracts; associated trade subcontracts such as plumbers, electricians, HVAC technicians, roofers, masons, painters providing direct employment with contractors and sub-contractors performing these activities; supplies needed for execution of the aforementioned contracts and subcontracts; appraisal, legal and surveying services; soil and material testing services; environmental services, including asbestos and lead-based paint inspections and abatement; and advertising and publishing services.

Hiring in these Projects will be conducted through the State or local NC Employment Security Commission Office. The County and NCEM will list contracts with the NC Division of Purchase and Contracts. Potential employees and businesses may seek development and training through local educational institutions. Individuals and businesses may contact the person listed below to register for consideration and should mention "Section 3" to assist with the registration. To the greatest extent feasible, employment and training positions will be made available to qualified persons who permanently reside in Wayne County. The names of businesses who respond to this notice will be included on procurement lists for these Projects. Job seekers are also encouraged to contact the Employment Security Commission. Any person residing, or firm located in Wayne County may request to participate in procurement or employment opportunities associated with these Projects by contacting Noelle Woods, Purchasing Manager, at P. O. Box 227, Goldsboro, NC 27533.

Wayne County is an equal opportunity employer and service provider and encourages participation by small, minority, female-owned and historically underutilized businesses. Individuals desiring to access TDD or TTY services may dial 7-1-1 to reach the NC Telecommunications Relay Service (Relay NC).
