CLEVELAND COUNTY CONTRACT A - LATTIMORE AREA WATER SYSTEM & STORAGE TANK IMPROVEMENTS

Sealed bids for the project entitled **Contract A - Lattimore Area Water System and Storage Tank Improvements** will be received by **Cleveland County Water** until **2 p.m. local time November 8, 2018** in the **Conference Room of the Cleveland County Water Offices** located at **439 Casar Lawndale Rd Lawndale, NC 28090**. At said place and time, all Bids that have been duly received, will be publicly opened and read aloud.

A pre-bid conference will be held at **2 p.m. October 23, 2018** at the **Conference Room of the Cleveland County Water Offices** located at **439 Casar Lawndale Rd Lawndale, NC 28090**. Interested parties are invited to attend this meeting to review the plans, ask for additional information or clarification and to visit the project site.

THE PROJECT GENERALLY CONSISTS OF:

The installation of approximately 14,200 LF of 12-inch DIP/PVC C900 water line and appurtenances, interconnection to existing Cleveland County Water System at strategic points, reassignment of existing water meters as needed, installation of new and replacement PRVs, installation of storage tank valve vault, and initial grading of storage tank site.

Bidders and other interested parties should note that prequalification of equipment manufacturers by the Engineer prior to the bid opening is required for this project. Equipment prequalification requirements, if any, are described in the Contract Documents.

Digital copies of Bid Documents are available for purchase at www.mcgillengineers.com for a fee of \$100.00 per set. These documents may be downloaded by selecting this project from the "Bids" link and by entering **Quest Project Number 5975686**. For assistance and free membership registration, contact QuestCDN at (952) 233-1632 or info@questcdn.com.

Each bid shall be accompanied with a cash deposit or certified check drawn on a bank or trust company insured by the FDIC or a Bid Bond prepared on the form of Bid Bond contained in the Bidding Documents or a Surety Company's standard form and properly executed by a corporate surety licensed under the laws of North Carolina to execute such bonds. The amount of the bid bond shall be equal to **five (5) percent** of the total of the bid. The bid deposit shall be retained by the Owner if the successful bidder fails to execute the contract or fails to provide the required bonds, as stated above, within ten (10) days after the proper notice of award of the contract.

Bidders must comply with the requirements of the State of North Carolina and be appropriately licensed as a Contractor as provided in General Statutes Chapter 87.

Neither the Owner nor the Engineer will be responsible for full or partial sets of Bidding Documents, including any Addenda, obtained from any source other than the Owner's representative, McGill Associates, P.A. Each Bidder shall be responsible for the review of all addenda for the project and shall acknowledge the addenda on the bid form.

The Owner reserves the right to reject any and all Bids, to waive informalities, or to reject non-conforming, non-responsive, or conditional bids. The Owner reserves the right to award a contract to the lowest, responsive, responsible bidder or bidders, taking into consideration quality, performance and time.

Contractors submitting a Bid on this project must solicit bids from minority subcontractors and provide documentation of any outreach efforts as described in the Contract Documents.

Bidders must comply with the President's Executive Order No. 11246 as amended, which prohibits discrimination in employment regarding race, creed, color, sex or national origin. Bidders must comply with Title VI of the Civil Rights Act of 1964, the Davis-Bacon Act, the Anti-Kickback Act, the Contract Work Hours Standard Act, and 40 CFR 33.1016, and 40 CFR 60-4.

NCDOT TO HOLD PUBLIC MEETING ON OCTOBER 23 REGARDING THE PROPOSAL TO WIDEN FAYETTEVILLE ROAD (S.R. 1997) FROM FARRINGDOM STREET TO 22ND STREET IN ROBESON COUNTY

STIP PROJECT NO. U-5797

The N.C. Department of Transportation proposes to widen Fayetteville Road (S.R. 1997) from Farringdom Street to 22nd Street in Robeson County. The purpose of this project is to relieve congestion along Fayetteville Road.

A public meeting will be held at the **Bill Sapp Recreation Center** located at **1100 North Cedar Street on Tuesday, October 23, 2018 from 5 to 7 p.m.**

The purpose of this meeting is to inform the public of the project and gather input on the proposed design. As information becomes available, it may be viewed online at the NCDOT Public Meeting Webpage: <http://www.ncdot.gov/news/public-meetings>.

The public may attend at any time during the public meeting hours, as no formal presentation will be made. NCDOT representatives will be available to answer questions and receive comments. The comments and information received will be taken into consideration as work on the project develops.

The opportunity to submit written comments will be provided at the meeting or can be done via phone, email, or mail by **November 6, 2018**.

For additional information, please contact Craig Freeman, PE, Division 6 Project Engineer by phone: (910) 364-0603 or via email at cafreeman2@ncdot.gov; or by mail: Craig Freeman, PE, Highway Division 6, PO Box 1150, Fayetteville, NC 28302.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Tony Gallagher, Environmental Analysis Unit, at 1598 Mail Service Center, Raleigh, NC 27699-1598, by phone (919) 707-6069 or by e-mail at magallagher@ncdot.gov as early as possible so that arrangements can be made.

Persons who do not speak English and have a limited ability to read, speak or understand English, may receive interpretive services upon request prior to the meeting by calling 1-800-481-6494.

Aquellas personas no hablan inglés o tienen limitaciones para leer, ablar o entender inglés, podrían recibir servicios de interpretación si los solicitan antes de la reunión llamando al 1-800-481-6494.

Rodgers will accept sealed bid proposals from project specific prequalified trade contractors for bid packages **04A Masonry, 06B Carpentry and Casework, 07A Roofing and Accessories, 07B Waterproofing and Sealants, 07C Fireproofing, 08A Glass Assemblies and Canopies, 08B Passage Door Assemblies, 08C Service Door Assemblies, 09A Drywall Assemblies, 09C Acoustical Assemblies, 09D Hard Tile, 09E Floor Coverings – Resilient and Carpeting, 09F Painting and Wall Coverings, 10A Specialties, 10B Signage, 12A Window Treatments, 12B Lab Furnishings, 12C Fixed Seating, 14A Elevators, 21A Fire Protection, 22A Plumbing Systems, 23A HVAC Systems, 23B Test and Balance, 26A Electrical, 32C Landscape and Irrigation** until 2:00 P.M. on Tuesday, November 13th, 2018 in Room 1106 of the Central Piedmont Community College (CPCC) Zeiss Classroom Building, 1231 Elizabeth Avenue, Charlotte, NC 28204 for the construction of the Classroom Building at Charlottetowne and 5th at which time and place bids will be opened and read.

An open Pre-Bid Meeting will be held for all interested bidders on Tuesday, October 16th, 2018 at 2:00 P.M. in Room 304 of the CPCC Hall Professional Development Building, 1112 Charlottetowne Avenue, Charlotte, NC 28204. CPCC Hall Professional Development Building is located at the intersection of Elizabeth and Charlottetowne Avenues. The meeting will address project specific questions, issues, bidding procedures and bid forms. A site visit will be held immediately after the formal Pre-Bid Meeting. The meeting is also to identify preferred brand alternates and their performance standards that the owner will consider for approval on this project. In accordance with General Statute GS 133-3, Specifications may list one or more preferred brands as an alternate to the base bid in limited circumstances. Specifications containing a preferred brand alternate under this section must identify the performance standards that support the preference. Performance standards for the preference must be approved in advance by the owner in an open meeting. Any alternate approved by the owner shall be approved only where (i) the preferred alternate will provide cost savings, maintain or improve the functioning of any process or system affected by the preferred item or items, or both, and (ii) a justification identifying these criteria is made available in writing to the public. In accordance with GS133-3 and SCO procedures the following preferred brand items are being considered as Alternates by the owner for this project.

- Building Automation System Controls by Trane
- Fire Alarm and Smoke Detection System by Simplex Grinnell
- Floor Boxes to be Evolution Floor Boxes by Wiremold
- Air Handling Unit Filters in AHU-1 & AHU-2 to be Dynamic Air Series "V8" Filters

The building is a new approximately 73,000 square foot, 4 story (plus mechanical penthouse) classroom and laboratory building on CPCC's central campus. Program includes general classroom spaces and civil engineering technology, bio medical, dental, radiology, healthcare classrooms and laboratories. Site construction began in September 2018.

Historically Underutilized Businesses are strongly encouraged to participate.

All communications for project specific information must go through Chad Ek at cek@rogersbuilders.com.

TECHNICAL

UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

Facilities Design and Construction

NON-CAPITAL PROJECT MANAGER, ARCHITECTURAL (WITH 3-5 YEARS EXPERIENCE)

The Facilities Design and Construction department (FDC) at the University of North Carolina at Greensboro is seeking a Non-Capital Project Manager, Architectural. UNC's picturesque urban park campus includes more than thirty academic buildings, thirty residence buildings, amenity and administrative facilities, athletic facilities, all situated on a campus of more than two hundred acres within a mile of downtown Greensboro.

This position is responsible for comprehensive Project Management of multiple UNC Non-Capital Projects, (less than \$300,000 total Project Budget). This position will provide continuity during the project's design and construction phases exemplifying UNC's instructional goals of Expertise, Accountability, Customer-Oriented, Team-Oriented, and Compliance & Integrity.

The purpose and intent of this position is to execute the following duties for assigned projects: (a) act as agent for the department maintaining responsibility for customer relations and customer satisfaction; (b) perform pre-design services for the customer; and, (c) provide management and oversight of contracted design and construction services. Duties include but are not limited to: writing project related technical scoping documents for customers and consultants; development and management of project schedules and work flow; development and management of project budget summaries; technical review of construction documents; and, oversight and management of construction activities in the field. Implicit with these enumerated duties are administrative tasks associated with the formation of contracts, processing of payments, and maintenance of project records in digital and hard copy formats.

A minimum of three to five years' experience is highly preferred and must be a licensed professional in North Carolina. Candidates with a current NCARB certification, and the ability to obtain a license to practice architecture by the North Carolina Board of Architecture, may be considered. License will need to be obtained before employment can start. The University desires experience in institutional or state projects, and excellent oral and written communication skills.

Position closes November 5, 2018. Interested applicants should apply on line by going to http://jobsearch.uncg.edu, position 998748. UNC will not pay for travel expenses to the interview.
