INVITATION TO BID

“RESURFACING OF CITY STREETS CONTRACT NO. 2019-01” CITY OF GREENSBORO

Sharpe Brothers is actively requesting quotations from NCDOT Certified WBE, HUB and MBE Subcontractors for the above project. The project has a total project goal of 8% WBE and 8% MBE. The Project consists +/- 25 mile of city street resurfacing, which consist of Trucking, Milling, Asphalt, Traffic Control, Structure Adjustments, Sidewalks, Patching and Concrete Curb Ramps. The availability date is 10 Days after award of contract with a completion date of October 31, 2019. We are looking for quotes for the following items to subcontract: **Trucking (hourly & or by the ton) (\$750,000.00), Milling (1,650,000.00), Traffic Control (\$50,000.00), Patching (\$140,000.00), Manhole/Water Valve Adjustments (Replacements) (1,200,000.00), Sidewalks (\$50,000.00), and Concrete Curb Ramps (COG) (\$300,000.00).**

Contact me for Quantities and Locations of Streets or they can be reviewed at the M/WBE office located at the City of Greensboro at 300 West Washington Street Greensboro, NC 27402.

The project bids December 13, 2018 and there is a pre-bid meeting November 29, 2018 at 300 West Washington Street Greensboro, NC 27402 at 11:00 am third floor at the engineering department. We request the receipt of quotations by the end of the day of December 11, 2018 to fairly evaluate all quotations. If you have any questions please feel free to contact me.

If you have any questions, please feel free to call (336-346-8156) or email (Kenny.alson@sharpebrosvg.com).

NOTICE TO SUBCONTRACTOR ADVERTISEMENT TO BID FOR THE RALEIGH-DURHAM AIRPORT AUTHORITY TERMINAL 1 GATES A1-A4 ACTIVATION

ADVERTISEMENT FOR BID: **Balfour Beatty Construction** has been selected as the Construction Manager at Risk (CMR) for the project and will receive bids from and contract with the principal contractors for the execution of the work.

Sealed proposals from **Pre-Qualified Bidders** will be received by **Balfour Beatty Construction** for the **Terminal 1 Gates A1-A4 Activation** project on the following dates and times:

January 10, 2019 at 2:00 PM

- BP 1G – General Trades
- BP 02A – Demolition
- BP 03A – Concrete
- BP 04A – Masonry
- BP 05Z – Misc. Metals
- BP 31D – Sitework

Bids will be received and opened publicly at RDU Airport Authority Building, 1000 Trade Drive, Morrisville, NC 27560 in Room 100.

PREBID Conference, MWBE Workshop, and Site Tour will be held on Thursday, December 13, 2018 at 1:30 PM at Terminal 2 Conference Room 3410, 2400 John Brantley Blvd, Morrisville, NC 27560.

The deadline for receipt of questions is 5:00 PM on Friday, December 28, 2018.

All bidders must be prequalified by **Balfour Beatty** in accordance with the Airport Authority’s “Prequalification of Bidders for Construction or Repair Projects Policy.” **The deadline for prequalification package submissions is two weeks prior to the bid date at 5:00 PM.** A current listing of all prequalified bidders in each bid package and instructions for prequalification can be publicly obtained at <https://bbcus.egnyc.com/fl/Qi7Tpu7u5h> and at www.rdu.com. The Construction Manager and Owner reserve the right to add pre-qualified bidders.

Bid Documents and Manual will be available Thursday, December 13, 2018 through the following links: <https://bbcus.egnyc.com/fl/Qi7Tpu7u5h> and www.rdu.com. You may also contact **Lauren McCauley, LMcCauley@balfourbeattyus.com** | office: 919-233-5001 for egnyc.com site access of complete plans, specifications, and contract documents. Hardcopies of full or partial sets of documents can be purchased directly from **Duncan Parnell** by contacting Customer Service at (919) 833-4677.

Bid documents will also be available for review at **Balfour Beatty Construction** located at 406 S McDowell St, Suite 200, Raleigh, NC 27601.

All Bidders are strongly encouraged to include opportunities for Minority Business participation wherever possible in their respective bid submission. Minority Business is a part of this contract and must comply with the State of North Carolina General Statutes and NCDOT requirements. The goal for this project is 10% for Minority Business (MBE) and 5% for Women Business (WBE).

The Construction Manager and Owner reserve the right to reject any or all proposals. Should you require additional direction, please contact **Balfour Beatty Construction, Lauren McCauley | LMcCauley@beattyus.com** | office: 919-233-5001

Subcontractor Opportunity Session **Balfour Beatty Construction** is sponsoring a MWBE Outreach/Information Sessions to discuss construction of this project. **This event will be held during the Pre-Bid Meeting on December 13, 2018.** **Balfour Beatty** highly recommends that all interested 1st tier (majority and/or minority) subcontractors and lower tier subcontractors participate in this meeting as a subcontractor attendance will be considered towards “MWBE Good Faith Efforts.”

For MWBE inquiries contact: **Calvin Stevens – cstevens@balfourbeattyus.com** or **Karl Davis – kdavis@rightbuildint.com**

Remaining Bid Package Dates Remaining bid packages are projected to be bid on the following dates. Separate advertisements for bid will be issued for each bid date and separate pre-bid conferences will be held. Prequalification for each of these packages will be due 14 days prior to their respective bids.

February 7, 2019
BP-14Z – Baggage Handling, BP32Y – Passenger Boarding Bridges

March 14, 2019
BP05H – Specialty Metals, BP06F – Millwork, BP07Z – Thermal and Moisture Protection, BP08A – Doors and Hardware, BP09A – Framing and Drywall, BP09B – Ceilings, BP09D – Painting, BP09E – Flooring, BP10C – Signage, BP21A – Fire Suppression, BP22A – Plumbing, BP23A – Mechanical, and BP26A – Electrical, Communications, and Security

ATTENTION: DBE'S - WBE'S - MBE'S

For hauling operations, we will need to know how many of your own hauling units will be available for these projects. We will need this on your written quote prior to bid time and this will be made a part of any subcontract.

These projects include opportunities on, but are not limited to hauling, milling, incidental concrete, guard rail, traffic control, pavement markings, seeding and mulching, and saw cut, concrete pipe, subdrain, misc. concrete, sewer lines, waterlines, signals, retaining wall, erosion control, silt fence. Plans and Proposals can be viewed on the NCDOT’s website at <http://www.ncdot.gov/doh/preconstruct/ps/contracts/letting.html#0> and at our offices. Please call for an appointment.

All firms or persons interested in bidding on any applicable portions of these projects or supplying materials for any applicable portion of these projects are invited to contact us direct or by phone (we accept collect calls). By submitting a quote it is understood that you have read and understand the specifications.

“The North Carolina Department of Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award. In accordance with other related nondiscrimination authorities, bidders and contractors will also not be discriminated against on the grounds of sex, age, disability, low-income level, creed/religion, or limited English proficiency in consideration for an award.”

REQUEST FOR PROPOSAL

YARD WASTE AND STORM DEBRIS GRINDING FROM HURRICANE FLORENCE CITY OF WASHINGTON, NORTH CAROLINA

The City of Washington is seeking proposals for the services of yard waste and storm debris grinding. Services shall include at minimum:

Yard Waste Grinding Services:

- Provide mobile on-site yard waste grinding services at the Washington-Warren Airport site, Spring Road, Washington, North Carolina 27889 to grind and spread storm debris;
- Grind yard waste to final product and spread grinding material;
- Clean yard waste area, grade as necessary to remove ruts and bumps;
- All work shall be completed by March 1, 2019.

The submission of a bid will assume that the contractor has fully examined the site and knows existing conditions and has made every provision for operation under existing conditions, and has included all necessary items. Failure of the contractor to become fully aware of working conditions shall not become a basis for additional payment in the event adverse working conditions are encountered.

Submit pricing for grinding and spreading material.

Sealed proposals will be received until 2:00 p.m., Friday December 21, 2018 at the Public Works Office, located at 102 East 2nd Street, Washington, North Carolina 27889, or mail to City of Washington, PO Box 1988, Washington, North Carolina 27889.

Proposals shall be labeled “City of Washington Request for Proposal Yard Waste and Storm Debris Grinding from Hurricane Florence”. Proposals received after the deadline will not be considered.

For questions contact **Adam Waters, Public Works Director, City of Washington, Washington, North Carolina** at (252) 975-9332 or awaters@washingtongov.gov.

Local, minority, female-owned and small businesses are encouraged to submit proposals.

The City of Washington reserves the right to reject any or all proposals.

Debris Information: Approximately - 3000 cubic yards

Yates Construction Company, Inc., has several policies aimed to assist and encourage MBE/WBE firms to participate. These policies include, but are not limited to, a Quick Pay Agreement and Bonding Assistance.

NOTICE TO BIDDERS

Sealed bids, subject to the conditions herein, will be received until **11:00 a.m.** (local time), **Tuesday, January 29, 2019**, in the **conference room of the Wilmington International Airport, 1740 Airport Boulevard, Suite 12, Wilmington, North Carolina**, and then opened and publicly read for furnishing all labor and materials and performing all work connected with: **Terminal Improvements - Contract 2**, as indicated in the plans and specifications dated November 30, 2018.

A Pre-Bid Meeting will be held at 3:00 p.m. (local time), Tuesday, December 11, 2018 in the conference room of the **Wilmington International Airport**. Attendance at the Pre-Bid meeting is NOT mandatory, however is strongly recommended. **A site visit will be available following the meeting. Portions of the project are located in the Airport Security Area where escorts are required for site visits. Contact Eric Stumph at Talbert & Bright (910-763-5350; estumph@tbilm.com) with requests to schedule a site visit.**

The project shall consist of furnishing all labor, materials and equipment and performing all work required to satisfactorily complete the project, which consists of phased renovation and expansion of the ticket lobby and airline offices, phased installation of new outbound baggage handling system (BHS) equipment in the Airport's passenger terminal, and phased demolition of existing BHS equipment. The project also includes mechanical, electrical, plumbing, fire protection, structural and civil work items related to the renovation and expansion of the Ticket Lobby and the BHS installation; and provision of SIDA-badged baggage porters to assist airlines and TSA in baggage handling operations during construction.

In accordance with North Carolina General Statute GS 133-3, this project will contain preferred brand alternates for door hardware locksets (Best), tile carpeting (Shaw), direct digital control (DDC) for HVAC (Honeywell), intelligent fire alarm detection system and integrated digital audio (Notifier), access control system (Johnson Controls), closed-circuit television (CCTV) surveillance system (Johnson Controls), and the public address system (MOOD Media). The Airport stipulates that these preferred brand alternates are necessary to provide branding and aesthetic consistency, compatibility with existing building functions and maintenance, and reduction of cost of building operations and maintenance processes.

Bid Forms, Plans, Specifications, and Contract Documents Bidding documents may be examined at the office of Mr. Granseur Dick, Wilmington International Airport, 1740 Airport Boulevard, Suite 12, Wilmington, NC 28405, between the hours of 8:00 a.m. and 5:00 p.m., and the following plan rooms' websites:

Dodge Data & Analytics –
www.construction.com
Carolinas Plan Room –
www.carolinasplanroom.com
iSqFt + bidder –
www.iSqFt.com

Bidders may obtain a complete set of bidding documents beginning on Tuesday, December 4, 2018 from: McGee Cadd Reographics, 2527 S. 17th St., Wilmington, NC 28401, (910) 392-5500, e-mail: mcgee01@mcgee-cadd.com, upon the non-refundable payment of services charges.

Each bid must be accompanied by a Bid Bond, a deposit of cash or by a certified check payable to New Hanover County Airport Authority, and drawn on some bank or trust company authorized to do business in the State of North Carolina, for an amount equal to 5% of the total base bid, as a guarantee that if the bid is accepted, the required Contract will be executed and the required Performance Bond and Payment Bond furnished within fifteen (15) days after receipt of written notice of formal award of Contract.

IMPORTANT NOTICE TO BIDDERS: Each bidder for this project shall be registered as a prequalified bidder with New Hanover County at the time of the bid opening and shall hold a North Carolina General Contractor's License. A list of pre-qualified BHS subcontracting firms is included in the bid documents to assist prime contractors.

Prospective bidders should read the instructions for preparing bids in the project specifications carefully before submitting their bids.

Envelopes containing proposals must be sealed, addressed to **Mr. Granseur Dick, Planning and Development Director, Wilmington International Airport, 1740 Airport Boulevard, Suite 12, Wilmington, NC 28405**, and marked on the envelope as follows:

"PROPOSAL FOR TERMINAL IMPROVEMENTS – CONTRACT 2"

SPECIAL NOTE: The New Hanover

County Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

New Hanover County Airport Authority reserves the right to reject any and all bids, to waive informalities, and to re-advertise this solicitation at the Authority's sole discretion. Nothing herein shall be construed as a commitment on the part of the authority to award a contract. The authority reserves the right to reject all bids and abandon the solicitation at its sole discretion.

ADVERTISEMENT FOR BIDS

Sealed proposals will be received until 3:00 p.m. on **January 23, 2019**, by Mr. Owen Daniels, Project Manager, **NC DOT**, Facilities Management Unit, in the Highway Division 14 Main Office Building, 253 Webster Road, Sylva, North Carolina 28779, for the construction of the **Division 14 Swain County Storage Shed**, SCO# 14-11264-01A, at which time and place bids will be opened and read.

An open pre-bid/preferred brand conference will be held on **January 10, 2019** at 11:00 a.m. at the Office Building at the NCDOT Maintenance Yard, 345 Toot Hollow Road, Bryson City, North Carolina 28713.

Complete plans and specifications for this project can be obtained or reviewed during normal office hours after December 6, 2018 in the offices of Architectural Design Studio, P.A., 70 Wall Street, Asheville, North Carolina 28801, 828-252-0355. Digital Plans will be sent to the following plan rooms: The Builders Exchange of Tennessee, Dodge Data & Analytics, ConstructConnect, the Hispanic Contractors Association of the Carolinas and the Women's Business Center of Charlotte. Digital plans and specifications may be downloaded at the NCDOT website at the following link: https://connect.ncdot.gov/letting/Pages/Letting-List.aspx?let_type=13&let_status=Advertised

Hard Copy Plan Deposit - \$100.00.

The state reserves the unqualified right to reject any and all proposals.

TECHNICAL

NORTH CAROLINA DEPARTMENT OF PUBLIC SAFETY

MAINTENANCE/ CONSTRUCTION PROJECT MANAGER II (CONSTRUCTION LOGISTICS MANAGER)

We have a mission that matters! NCDPS is seeking energized and collaborative oriented individuals to be a part of the Central Engineering team and provide design / construction services and successful delivery of challenging yet rewarding projects.

JOB CLASS TITLE: Maintenance/Construction Project Manager II (Construction Logistics Manager)

POSITION NUMBER: 60056570

DEPARTMENT: Department of Public Safety

DIVISION/SECTION: Chief Operating Office/Central Engineering

APPOINTMENT TYPE: Permanent Full-Time

WORK LOCATION: Wake County

OPENING DATE: 11/27/18

CLOSING DATE: 01/13/19 5:00 PM Eastern Time

DESCRIPTION OF WORK:

The North Carolina Department of Public Safety (DPS) is the largest state agency with 26,000 employees and is responsible for safeguarding and preserving the lives and property of its citizens through prevention, protection, and preparation. We have a mission that matters!

The North Carolina Department of Public Safety is seeking an energized, collaborative and team/action-oriented Construction Logistics Manager to provide professional knowledge to an established well-respected team that sets high standards and executes quality timely results for the State of North Carolina's in-house construction team of up to 650 members focusing on institutional/ industrial / office work.

The successful candidate will provide the Department with direction, management and coordination of Force Account construction services, functioning in the capacity of a single-prime contractor, to perform the construction of complex, multi-million-dollar projects. Day to day management duties include the direct development of all construction project Critical Path Method (CPM) schedules, leading on-site monthly schedule compliance meetings, updating the CPM schedule, and producing schedule reports for the monthly construction meetings and project managers.

This position has a duty station of Raleigh, NC and requires the successful candidate to commute daily to the Raleigh, NC office with occasional overnight stays within areas of North Carolina.

Standard work days and times are Monday - Thursday, 7:00 AM to 5:30 PM but occasionally could require work hours on Fridays.

This position also serves as the principal alternate on Construction Program Management issues during the Assistant Director of Construction's absence.

KNOWLEDGE, SKILLS AND ABILITIES / COMPETENCIES:

(Listed below are the Knowledge, Skills and Abilities (KSA's) associated with this position. These KSA's, along with the Minimum Education and Experience Requirements listed, are required in order to be deemed "eligible" for the position. Qualified applicants must possess and application must clearly reflect work experience that demonstrates the following).

Demonstrated knowledge of construction project methodologies and project management experience for new construction, renovation, and/or major maintenance projects.

Demonstrated experience developing, reviewing, and updating Critical Path Method (CPM) construction schedules for complex, new construction, renovation, and/or major maintenance projects.

Demonstrated experience with cost estimating and procurement of materials and equipment for construction, renovation, and/or major maintenance projects.

Demonstrated experience with reading/interpreting construction plans and documents.

Demonstrated knowledge of OSHA standards, North Carolina Building Codes, AND/OR laws and ordinances governing institutional / industrial / commercial construction.

Demonstrated ability to plan and direct the work of pre-construction and construction personnel in varied disciplines.

Demonstrated ability to establish and maintain effective working relationships with employees, architects, engineers, contractors, and State agency managers.

Strong ability to clearly and concisely communicate both verbally and in writing.

Ability to use MS Office (Word and Excel) and willingness to learn new software programs.

A valid Driver's License is required.

Management Preferences:

Bachelor's degree in either Mechanical, Electrical or Civil Engineering from an ABET accredited university.

Six (6) years' experience with construction contract administration, preconstruction services, and construction management focused on multi-million dollars institutional, commercial, apartment, office or industrial projects. Primary preference is institutional / industrial.

Five (5) years' experience developing and updating resource dependent Critical Path Method (CPM) construction schedules for complex, multi-million dollars new construction, renovation, AND/OR major maintenance projects using Primavera Scheduling Software.

Prior experience establishing and maintaining effective working relationships with employees, architects, engineers, contractors, and State agency managers.

Thorough knowledge of NC General Statutes and processes governing public construction.

Licensed NC Professional Engineer.

Certified Project Management Professional (PMP), Professional Energy Manager (PEM) or Certified Construction Management (CCM).

EDUCATION

ROBESON COMMUNITY COLLEGE

HEATING AND AIR-CONDITIONING INSTRUCTOR: NC DEPARTMENT OF PUBLIC SAFETY (FULL-TIME)

Minimum Qualifications: HVAC Diploma and/or an associate degree; minimum of (3) years' work experience; minimum of (2) years teaching experience or working experience in a prison setting; extensive experience in HVAC can substitute for the teaching/working experience in a prison setting, and a diploma or an associate degree from a regionally accredited institution.

Preferred Qualifications: Qualified candidates must be knowledgeable of all the rules and regulations mandated by the NC Department of Public Safety; qualified candidates must have computer skills; have the knowledge to submit all required paperwork to the College in appropriate manner; demonstrate evidence of flexibility and willingness to change; and open-mindedness and fairness towards other faculty, staff, and students. All applicants must submit a RCC application, resume, and a copy of unofficial transcripts, and any other supporting documentation related to the qualification requirements. For a listing of duties and an application, visit www.robeson.edu or contact Personnel Services at 910.272.3531. Closing date: Tuesday, December 18, 2018 at 4:00 p.m.
