SPECIAL NOTICE

STATE OF NORTH CAROLINA DEPARTMENT OF TRANSPORTATION RALEIGH, NC

DESIGN-BUILD REQUEST FOR QUALIFICATIONS (RFQ)

The North Carolina Department of Transportation (NCDOT) is requesting interested Design-Build Teams submit qualifications for a series of **Express Design-Build Projects.** These three projects are located in Division 13 and include the replacement of roughly 10 structures.

Interested parties should send a request, **by e-mail only**, to rfq_package_request@ncdot.gov for a formal package detailing the requirements for submitting a Statement of Qualifications. The following contact information must be included in the e-mail request: company name, physical address, city, state, zip code, contact person, phone number and current e-mail address. The Statements of Qualifications must be received by 4:00 p.m., **March 21, 2019** at the address shown below:

Mr. Ronald E. Davenport, Jr., PE
State Contract Officer
NCDOT - Contract Standards and Development
Century Center - Building B
Entrance B2
1020 Birch Ridge Drive
Raleigh, NC 27610

All available Design-Build Project information is on the NCDOT Design-Build link of the website at www.ncdot.gov under "Business". Project information, including each project's anticipated scope, is continually being added, so it is advisable to monitor this website for the most up to date information.

Technical questions related to the RFQ package, or other project related questions, should be sent via email to designbuild@ncdot.gov. For tracking purposes, questions will **only** be answered through email requests.

When making requests by email, it is advisable to request a return receipt for your records.

TECHNICAL

ORANGE WATER AND SEWER AUTHORITY

ASSET MANAGER

The Orange Water and Sewer Authority (OWASA), a progressive water utility providing retail water, wastewater and reclaimed water services to the Towns of Chapel Hill and Carrboro and to the University of North Carolina at Chapel Hill, seeks a dynamic, highly motivated engineer to lead OWASA's Asset Management Program.

The Asset Manager leads OWASA's asset management program developing, implementing and maintaining all elements of the asset management framework to improve the reliability and resiliency of the community's water and wastewater infrastructure. This is accomplished by evaluating best practices in asset management; updating and promoting the asset management framework; working with consultants and OWASA staff to identify and prioritize business needs; managing asset inventories; developing condition assessment strategies; managing asset risk/prioritization models; assisting with capital project prioritization; updating the asset renewal and replacement financial forecast model; managing facility reliability and risk assessments; and linking the asset management program with the geographic information system (GIS) and computerized maintenance management systems (CMMS).

The position also works closely with OWASA's operating departments (water supply and treatment, distribution and collection, wastewater treatment) managing special projects and programs to improve the efficiency and/or reliability of the water, wastewater and reclaimed water systems.

Candidates should possess knowledge of asset management principles and practices. Candidates should be self-motivated and possess exceptional organizational, technical, and written, verbal and interpersonal communication skills. Candidates should have experience leading cross-departmental teams fostering collaboration between team members. Position requires three to five years' experience in a closely related field. Previous experience working with GIS and CMMS is desirable. Position requires a Professional Engineer license and a North Carolina Class C driver's license.

OWASA is an Equal Opportunity Employer committed to continuous improvement, sustainability, creativity, diversity and inclusion.

Closing date is March 27, 2019. Salary range is \$72,690 - \$111,940. To complete an application visit www.owasa.org. Certified Orange County Living Wage Employer.

NORTH CAROLINA DEPARTMENT OF PUBLIC SAFETY

ENGINEER II (MECHANICAL ENGINEER)

The North Carolina Department of Public Safety (DPS) is the largest state agency with 26,000 employees and is responsible for safeguarding and preserving the lives and property of its citizens through prevention, protection, and preparation. We have a mission that matters! The North Carolina Department of Public Safety is seeking an energized and collaborative oriented Engineer II (Mechanical Engineer) to be a part of the Central Engineering team and provide design services and successful delivery of challenging yet rewarding projects. If you desire a financially rewarding career that includes great work / life balance and is coupled with strong state benefits including retirement, health insurance, vacation leave, sick leave and paid holidays, please apply today!

This Engineer II (Mechanical Engineer) will provide the Design Services unit with expertise in planning, design, development of system standards, consulting, project management, commissioning and system troubleshooting of major mechanical systems including Life-Safety, HVAC, Plumbing, Gas, and Fire Protection systems for capital projects and renovations of existing facilities within the DPS system. The Mechanical Engineer works closely with other design and construction disciplines in Central Engineering, other DPS units, other State Agencies and with outside design and construction entities. This position will assist with and prepare plans and drawings for submittal to the State Construction Office for approval under the direction of the Mechanical Engineering Supervisor.

- Working knowledge of mechanical engineering practices and techniques.
- Working knowledge of and experience in designing new systems or evaluating condition of existing systems in at least ONE or MORE of the following areas: Plumbing, HVAC, Fire Protection, AND/OR Gas systems. (Note: This experience MUST be represented on your application and the duties and responsibilities fully explained.)
- Working knowledge of mechanical AND/OR general AND/OR utility construction.
- Working knowledge of NC building codes AND/OR laws and ordinances related to construction.
- Experience in preparing mechanical plans AND/OR cost estimates.
- Experience in new and existing mechanical systems.

- Five years of experience in mechanical engineering with correctional facilities including design, estimating, procurement and construction.
- Working knowledge of State Construction Office and DPS policies and procedures concerning design, procurement and construction of building mechanical and plumbing systems.
- ADA Physical Requirements will be discussed during the interview.

To apply please go to: <https://www.governmentsjobs.com/careers/northcarolina/jobs/2300829/engineer-ii-mechanical-engineer>.

POLICE OFFICER TRAINEE

Are you interested in a career in law enforcement? Do you have a passion for helping others? If so, the City of Greenville Police Department is searching for men and women just like you.

The City of Greenville Police Department is now accepting applications for the position of Police Officer Trainee to join its growing rank of law enforcement professionals. As a Police Officer Trainee you will be compensated to attend Basic Law Enforcement Training Academy (BLET) where you will undergo five months of intense physical and educational training designed to prepare you for a career in law enforcement. Upon receipt of certification you will graduate as a certified North Carolina Police Officer with the City of Greenville.

Candidates who successfully complete the selection process and are offered a Trainee position with the City of Greenville and will be paid to go through a 5-month BLET (Basic Law Enforcement Training) academy. The rate of pay for Trainees while attending BLET is \$17.08 per hour (\$1,366.40/biweekly).

Special Requirements:

- Must be a United States citizen
- Must be a high school graduate or have passed the General Educational Development (GED) test
- Must have a valid North Carolina driver's license and acceptable driving record
- Must be of good moral character with no disqualifying criminal conviction(s)
- Must undergo an extensive background investigation including, but not limited to, polygraph exam, psychological evaluation, medical exam, and drug screen
- Must successfully complete a physical agility test and oral interviews
- Must be available to work days, evenings, nights, weekends, and holidays on a rotating schedule
- Must meet any other minimum employment requirements established by the City of Greenville

Selection process typically is completed within three (3) to five (5) months.

Application Deadline: March 31, 2019.

For additional information and to apply online, please visit our website at www.greenvillenc.gov.

The City of Greenville is an Equal Opportunity/Affirmative Action employer.

ADVERTISEMENT FOR BIDDERS

Sealed bids will be received by the **City of Greenville**, in the Public Works Department Conference Room, 1500 Beatty Street, Greenville, NC 27834 until **Tuesday, March 26, 2019 @ 2:00 PM local time**, and immediately thereafter publicly opened and read, for furnishing and constructing the following:

2019 STORMWATER PIPE REPAIR PROJECT GREENVILLE, NORTH CAROLINA

The scope of services may include, but are not limited to the identified projects below: 200 W. 5th Street, 540 B Lake Road, 312 Stanwood Drive, 1502 SE Greenville Blvd, 4002 Wyneston Road, 2400 Jefferson Drive, 902 W 3rd Street, 1700 Cedar Lane and 801 E 5th Street. All work under this contract will be issued to the Contractor as project work orders and will identify a specific scope of work for each individual project. The project work may include, but is not limited to, repair and/or replacement of the following: storm drain lines, manholes, catch basins, storm water outfalls and any other related storm water structures. Work may involve minor improvements to storm pipe. The Contractor shall be compensated based on line items and the unit prices included in the Contract Documents. The City does not guarantee either a minimum volume of work or a specific volume of work under this Contract

A Pre-Bid Conference will be held at the **Public Works, 1500 Beatty Street Greenville, North Carolina** on **Wednesday, March 13, 2019 @ 2:00 PM** local time. Attending of the pre-bid is not mandatory to bid on this project, but is recommended.

Digital copies of specifications and bid documents may be obtained at no cost on the City's website at: <http://greenvillenc.gov/government/financial-services/current-bid-opportunities>. Contact the Engineering Division of Public Works, Victor Long, EAII at (252) 329-4467 with any questions.
