Target bid date: July 2019.

INVITATION TO A PUBLIC BID FOR ADDITIONS AND RENOVATIONS TO

THE MECKLENBURG COUNTY ABC BOARD RETAIL STORE AT

1609 NORTH GRAHAM STREET CHARLOTTE, NC

The Mecklenburg County ABC Board is seeking proposals for the addition and renovations to the existing ABC Store located at 1609 North Graham Street, Charlotte, NC. This project will be bid formally and will be awarded as a single prime contract to the successful, qualified bidder. Bidding is open to licensed General Contractors in good standing with and currently licensed by the North Carolina Licensing Board for General Contractors, with an unlimited license, adequate bonding capacity, appropriate insurance coverage and an appropriately skilled management and supervisory team along with experienced and skilled subcontractors, suppliers and vendors.

Scope consists of site work including underground utility work, grading, stoning, concrete curb, gutter and sidewalk work as well as completing the stormwater systems as shown on the drawings, asphalt paving, decorative planting, required trees, turf and all required temporary construction measures. Backflow preventer work will also be required as a part of this project.

The existing ABC building on this site is a single-story masonry bearing wall structure with a precast concrete double-tee roof structure. The portion of this existing structure closest to North Graham street is to be demolished. The new addition is a tall, single story building with an exposed structural steel frame. The new floor in both the new and existing building will be a poured in place concrete slab, (stained and polished in the retail area of the store). There will be light gauge steel framed walls, aluminum and glass curtain wall window assemblies on all four sides, single ply roof and brick veneer concealing continuous rigid insulation and air barrier. The interior consists of painted sheetrock and brick veneer on metal stud walls, exposed primed and painted structure in the walls and ceiling / roof, some lay in ceilings (or exposed existing precast roof structure in the ware house). The building will be fully heated and cooled, appropriately lit, plumbed and ready for ABC to occupy. Coordination with and accommodation of an owner engaged retail shelving contractor and graphics/ signage contractor. Upon completion, the resulting building will contain approximately 7,300 gross square feet. A full Certificate of Occupancy will be required at conclusion of the project.

The proposed schedule:

- **Bid documents will be available electronically starting on May 23, 2019.** Please utilize the following link to the Bid Documents DropBox: <https://www.dropbox.com/sh/v7q9kjs3jmegarxAACsrGI8CgVxWzWJbcPIPF0a?dl=0>.

- **PREBID CONFERENCE: 1:00 pm on June 4th, 2019** at the site 1609 North Graham Street, Charlotte, NC.

- **BID OPENING: NOON, June 27, 2019** See additional information below.

• BID PERIOD:

- o F+D /Integra will entertain questions via email through 11:59 pm, June 13th, 2019. We will issue responses as appropriate via formal addenda. All questions and their responses will be shared with all proposers via the project DropBox.

- o Questions must be sent by email only to F+D / Integra and come from a General Contractor. (Do not email the ABC Board nor project consultants.)

- o We will not respond to verbal questions nor will we answer questions submitted directly from subs, vendors, suppliers etc.

- o Addenda will only be issued in an electronic format and will only be available in the project bid document DropBox.

- o General Contractors are responsible for distributing any and all Addenda and their contents to their subs, suppliers, vendors and any other party as they deem appropriate.

- o General contractors must make sure that all their subs, suppliers and vendors have received any addenda. The Meck County ABC Board is assuming that any and all proposals have accounted for the contents of any of these addenda whether or not the bidder acknowledges receipt of all Addenda on their bid form.

• BIDS

- o Mecklenburg County ABC Board will receive written hard copies of bids prior to but not later than noon on June 27th, 2019.
 - Time will be established by a clock in the Mecklenburg County

ABC Board Room at 3333 North Tryon Street. Proposals received after noon will not be considered.

- o Deliver hard copies of the bids to the offices of The Mecklenburg County ABC Board, 3333 North Tryon Street, Charlotte, NC 28206. This is a public bid opening and bidders and all interested parties are invited to stay and observe this process.

- **NOTE: When delivering your bid, remember to allow time to get past the building security system and get to ABC's offices and Board Room before noon. The doors to the conference room will be shut at noon and no additional bids will be accepted.**

The Mecklenburg County ABC Board and/or CEO reserves the right to reject any or all proposals / bids as they deem appropriate without consideration as it may deem to be in its best interest.

F+D / Integra has already submitted these construction documents and they are 100% approved by Mecklenburg County Code Enforcement. Contractor must pick up and pay for any remaining permit and review fees and commence the project. General Conditions (being sent under separate cover) will explain how to handle these costs.

To access the ABC N Graham Street bid documents please use the following link (this link will be available on May 23nd, 2019):

<https://www.dropbox.com/sh/v7q9kjs3jmegarxAACsrGI8CgVxWzWJbcPIPF0a?dl=0>

Do not call our offices of any design team consultants directly with questions. Instead, email questions to both Mike Doyne (mike@fryday-doyne.com) and copy Rob Brooks (rbrooks@fryday-doyne.com) for responses.

Verbal responses to questions will be considered as non-binding if not followed up in writing by formally issued, emailed Addendum.

On behalf of Mecklenburg County ABC Board, we thank you for your time and efforts and we look forward to seeing you at the Pre-bid.

INVITATION TO BID

Hall is currently soliciting quotes from interested NCDOT/HUB, NCDOT or other state certified MBE/WBE/DBE subcontractors and suppliers for the **Rockingham County Regional Water Interconnection Phase 2 Water Main Extension Project located in Rockingham County/Reidsville, NC.**

WILSON'S MILLS WD – WTP SERVICE LINE – CONTRACT NO. 2 DWI PROJECT NO.: H-SRP-D-17-0100

Sealed bids will be received by the Owner, WILSON'S MILLS WATER DISTRICT, in the conference room at the **JOHNSTON COUNTY PUBLIC UTILITIES, LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC** until 2:30 PM, EST, on THURSDAY, JUNE 13, 2019, for the construction of WILSON'S MILLS WATER DISTRICT – WTP SERVICE LINE – CONTRACT NO. 2.

Bidders do not have to be prequalified for this project.

The work will consist of the following:

- Removal of all chemical components from existing ammonia feed room and replacement with electrical equipment necessary for high service pump operation as well as retrofitting of A/C system to provide service in that room.

- Installation of 400 HP vertical turbine pump as well as distribution header installation and piping modification including meter additions.

- Other miscellaneous improvements associated with plant modifications.

- Related plant SCADA system equipment.

Plans, Specifications, and Contract Documents are open to public inspection at the office of JOHNSTON COUNTY PUBLIC UTILITIES, LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC; on-line on our website at www.johnstonnc.com; and through the following plan rooms: iSqFt.com, Hispanic Contractors of the Carolinas (HCAC), Carolinas AGC (CAGC), CMD, Bidclerk, McGraw Hill Construction (dodge.construction.com), and Construction Data Company (CDC). Hard copies can be purchased by prospective bidders at McKim & Creed, 1730 Varsity Drive, Suite 500, Raleigh, NC 27606 for a fee of \$150.00 for each set of documents requested. Requests should be made to Karen Mattingly at 919-233-8091 or via email at kmattingly@mckimcreed.com. Small minority and women's businesses and labor surplus area firms are encouraged to submit bids.

Each bid must be accompanied by a certified check or a bid bond by an acceptable surety company of not less than five percent (5%) of the amount of the bid, made payable to the Owner, WILSON'S MILLS WATER DISTRICT, as a bid guarantee.

A Performance and a Payment Bond will be required for the successful bidder in the amount of one hundred percent (100%) of the contract price, conditioned upon the faithful performance of the contract, payment of all persons supplying labor or furnishing materials, and payment of all liabilities incurred in connection with the work under this contract.

North Carolina law requires any contractor bidding on work in the State which costs \$30,000.00 or more to show evidence that he is licensed under the “Act to Regulate the Practice of General Contracting.”

No bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for receiving bids.

The Owner reserves the right to reject any and all bids and any part of a bid and to waive formalities and technicalities in the bidding procedure.

No consideration will be given any request for Plans and Specifications within the five (5) day period immediately prior to the date for receiving bids.

Bids must be submitted on the printed form, or exact copies thereof, contained in the Contract Documents.

Any contract or contracts awarded under this invitation for bids are expected to be funded in part by a loan from the State of North Carolina. Neither the State or Federal government nor any of its departments, agencies, or employees is or will be a party to this invitation for bids or any resulting contract.

Bidder shall make positive efforts to use small and minority-owned businesses and comply with GS 143-128.

A pre-bid conference shall be held at 10:30 a.m., on THURSDAY, MAY 30, 2019 in the conference room at the LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC.

WILSON'S MILLS WATER DISTRICT

Muter Construction is bidding the NWC Exterior Hydronic Piping Project and RP-2 Equipment Addition located at Wake Tech, Scott Northern Wake Campus, 7100 Success Way, Raleigh, NC.

Project Summary: The Regional Plant 2 (RP-2) supports the cooling and heating needs of campus as one of the 3 utility plants on campus. RP-2 was designed to accept a total of 3 chillers, cooling towers, and boilers. This project installs the 2nd of the chillers, cooling towers, boilers, pump and support equipment. The project also includes building the frame system supporting a third chiller, but not the chiller itself. Along with the equipment in RP-2, new underground heating hot water (HHW) and chilled water (CHW) piping will be extended from the existing manhole MH-11 to the existing Building H along the east side of Building F and under the existing Pedestrian Bridge 1, as well as toward a future Automotive building for connection to that projects hydronic system.

Plans & Specs: https://muterconstruction-my.sharepoint.com/:f/p/jwood/EmYcKJdARMg4f44-gddLcByAOMGL1bJasi7xCusNRTLQ?e=hqpb7K

Proposals will be received by Muter Construction on May 23, 2019 no later than 12:00 PM via email to jmuter@muterconstruction.com

We request bids be forwarded to the estimating department at jmuter@muterconstruction.com no later than 12:00 PM.

We recognize the challenges faced by W/MBE firms. For this reason, we offer the following:

- More flexible bonding and insurance requirements to certified W/MBE firms.
We provide quick pay agreements to all HUB certified subcontractors and suppliers.
We can utilize a joint-check system to help HUB firms purchase materials.

Muter Construction | 919-404-8330 | GC Lic #73095

Kinston, NC 28504

The REQUEST FOR PROPOSAL (RFP) procedure shall be evaluated and administered through the "Information Technology - Best Value" procurement under North Carolina General Statute 143-129.8. The referenced procurement shall be utilized to enable the OWNER to effectively select the most appropriate SCADA System to meet their business and future operational objectives. The procurement allows the OWNER to evaluate PROPOSALS based on the complexity and ingenuity of the technology solutions available.

North Lenoir Water Corporation is accepting PROPOSALS for the unit price items and technical services for the installation of a Standalone SCADA System or Web Hosted SCADA System. The PROPOSER may submit a PROPOSAL for the Standalone SCADA System (Base) or Web Hosted SCADA System (Alternate), or both.

The standalone SCADA system shall be hosted locally at North Lenoir Water Corporation's office that will allow the Owner to monitor tank water levels; well pump flow rates; and automatic and manual operation of the well pumps. The SCADA system shall allow remote access from any device from anywhere over the Internet. The standalone SCADA system shall include but not be limited to the following components: SCADA system computer, peripherals, and SCADA HMI software; Unit CCU, Units D, and Units G; Operator Interface Terminals (OITs); antennas, masts, poles, coaxial cable, and radios; configuration and setup; and any other equipment and services required for a complete and fully functional system.

The web hosted SCADA system shall be hosted remotely in a secure location that will allow the Owner to monitor tank water levels; well pump flow rates; and automatic and manual operation of the well pumps. The SCADA system shall allow remote access from any device from anywhere over the Internet. The web hosted SCADA system shall include but not be limited to the following components: Unit CCU, Units D, and Units G; Operator Interface Terminals (OITs); antennas, masts, poles, coaxial cable, and radios; configuration and setup; and any other equipment and services required for a complete and fully functional system.

Separate sealed PROPOSALS for the construction of 2017 Water System Improvements Contract No. 1 - SCADA Replacement will be received by the ENGINEER at North Lenoir Water Corporation, 220 Academy Heights Road, Kinston, NC 28504 until 2:00 PM Eastern Daylight Time, June 20, 2019, and then at said office publicly opened and read aloud.

The CONTRACT DOCUMENTS may be examined at the following locations:

North Lenoir Water Corporation, 220 Academy Heights Road, Kinston, NC 28504

McDavid Associates, Inc., 3714 North Main Street, Farmville, NC 27828-0049

Dodge Data and Analytics, 4300 Beltway Place, Suite 180, Arlington, TX 76018-5253 (View online at www.construction.com)

Construct Connect, Attn: DPC, 30 Technology Parkway South, Suite 100, Norcross, GA 30092 (View online at www.constructconnect.com)

Construction Journal, 400 SW 7th Street, Stuart, FL 34994 (View online at www.ConstructionJournal.com)

Builders & Contractors Exchange, Inc., 1118 Azalea Garden Road, Norfolk, VA 23502-5612 (View online at www.bceva.com)

Copies of the CONTRACT DOCUMENTS may be obtained at the office of McDavid Associates, Inc. located at 3714 North Main Street, Farmville, NC 27828-0049 upon a nonrefundable payment of \$100.00 for each set.

The OWNER reserves the right to reject any and all PROPOSALS, waive all technicalities, and accept the most advantageous PROPOSAL. The OWNER shall select which PROPOSAL is most advantageous based upon criteria established by this CONTRACT DOCUMENT.

PROPOSER shall be properly licensed under Chapter 87, General Statutes of North Carolina.

Small, minority, women's, and disadvantaged businesses and labor surplus area firms are

encouraged to submit PROPOSALS.

This PROJECT is subject to the good faith efforts and goals for participation by minority businesses required by G.S. 143.128.2. The OWNER has adopted a verifiable ten percent (10%) goal for participation by minority businesses in the total value of the WORK.

PROPOSERS shall, within the time frames specified in the PROPOSAL documents, submit all required affidavits and documentation demonstrating that the PROPOSER made the required good faith effort in compliance with G.S. 143.128.2. Failure to file all required affidavits and documentation within the required time frames is grounds for rejection of the PROPOSAL.

Prospective PROPOSERS who have been found guilty of discrimination within the last two (2) years are debarred from submitting a proposal.

PROPOSERS are advised that this solicitation for proposals is a "best value procurement" as defined in N.C.G.S. 143-135.9.(a)(1) and that PROPOSALS will be evaluated based on multiple factors including total cost of ownership. Selection of a contractor will be based on a determination of which proposal offers the best trade-off between price and performance where quality is considered an integral performance factor. The evaluation of PROPOSALS will be based on criteria set forth in the PROPOSAL SCHEDULE.

A pre-Proposal conference will be held at 10:00 AM on June 4, 2019 at North Lenoir Water Corporation, 220 Academy Heights Road, Kinston, NC 28504. Prospective PROPOSERS are encouraged to attend this preProposal conference as part of their good faith efforts.

Jimmy Parks President North Lenoir Water Corporation

Muter Construction is bidding the construction of the James Sprunt Community College Truck Driving Pad located at 934 Penny Branch Road, Warsaw, NC.

Project Summary: Construction consisting of grading a 2.5-acre plot of land for a paved truck driving training practice pad next to the existing Diesel Mechanic Training Facility. The project will contain erosion control methods, nine inches of stone base and four inches of asphalt.

Plans & Specs: https://muterconstruction-my.sharepoint.com/:f/p/jwood/EqEYZ_LGqHfnoUMnp8LpDMB7nbXNr1vmie9vWf00ID9BQ?e=wk8VsZ

Proposals will be received by Muter Construction on May 29, 2019 no later than 12:00 PM via email to jmuter@muterconstruction.com

We recognize the challenges faced by W/MBE firms. For this reason, we offer the following:

- More flexible bonding and insurance requirements to certified W/MBE firms.
We provide quick pay agreements to all HUB certified subcontractors and suppliers.
We can utilize a joint-check system to help HUB firms purchase materials.

Muter Construction | 919-404-8330 | GC Lic #73095

NOTICE TO BIDDERS

2019-2020 FULL DEPTH REHABILITATION

PURSUANT TO SECTION 143-129 of the General Statutes of North Carolina, the **City of Sanford** will receive sealed proposals for the above-named project consisting of the following approximate major items:

Approximately 24,000 SYD of Full Depth Paving Reclamation Including Type SF9.5A Asphalt Concrete Surface Course.

Bids will be received at the Engineering Department until **10:00 A.M., Thursday, June 20, 2019**, at which time they will be publicly opened and read.

Proposals must be enclosed in a sealed envelope addressed to the City Engineer and City Council, City of Sanford, P. O. Box 3729, Sanford, North Carolina 27331 3729. Proposals must be made on the blank forms provided in bound copies of Contract Documents. The name, address, and license number of the bidder shall be plainly marked on the outside of the envelope.

Each proposal must be accompanied by a certified check payable to the City of Sanford, North Carolina, in an amount equal to at least five (5) percent of his total aggregate bid. In lieu of a certified check, the bidder may submit a legal bid bond in the amount of five (5) percent of his total aggregate bid.

Each bidder must be appropriately licensed as a Highway Contractor in the State of North Carolina as provided in General Statute Chapter 87.

1. Bid documents may be examined at the Public Works Department of the City of Sanford, 225 E. Weatherspoon Street Sanford, North Carolina 27331, (919)-777-1118.
2. The right is reserved to reject any or all bids, to waive informalities and to award contracts which in the opinion of the city appears to be in its best interests. No bid may be withdrawn for a period of (60) days from the date of opening.

City of Sanford, NC
Hal Hegwer, City Manager
Paul M. Weeks, Jr., P.E., City Engineer

JOHNSTON COUNTY WWTP FLOOD MITIGATION

Sealed bids will be received by the Owner, JOHNSTON COUNTY, in the conference room at the LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC until 2:30 PM, EST, on June 20, 2019, for the construction of JOHNSTON COUNTY WWTP FLOOD MITIGATION.

The work will consist of the construction of the following at the Johnston County WWTP:

1. Site work
2. Construction of embankments, concrete parapet walls and sheet pile walls.
3. Construction of an automatic passive flood gate
4. Construction of concrete walls with gates at some WWTP structures.
5. Miscellaneous site improvements and modifications.

Plans, Specifications, and Contract Documents are open to public inspection at the office of JOHNSTON COUNTY PUBLIC UTILITIES, LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC; on-line on our website at www.johnstonnc.com, and through the following plan rooms: iSqFt.com, Hispanic Contractors of the Carolinas (HCAC), Carolinas AGC (CAGC), CMD, Bidclerk, McGraw Hill Construction (dodge.construction.com), and Construction Data Company (CDC). Hard copies can be purchased by prospective bidders at Johnston County Public Utilities for a fee of \$150.00 for each set of documents requested. Small minority and women's businesses and labor surplus area firms are encouraged to submit bids.

Each bid must be accompanied by a certified check or a bid bond by an acceptable surety company of not less than five percent (5%) of the amount of the bid, made payable to the Owner, JOHNSTON COUNTY, as a bid guarantee.

A Performance and a Payment Bond will be required for the successful bidder in the amount of one hundred percent (100%) of the contract price, conditioned upon the faithful performance of the contract, payment of all persons supplying labor or furnishing materials, and payment of all liabilities incurred in connection with the work under this contract.

North Carolina law requires any contractor bidding on work in the State which costs \$30,000.00 or more to show evidence that he is licensed under the "Act to Regulate the Practice of General Contracting."

No bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for receiving bids.

The Owner reserves the right to reject any and all bids and any part of a bid and to waive formalities and technicalities in the bidding procedure.

No consideration will be given for any request for Plans and Specifications within the five (5) day period immediately prior to the date for receiving bids.

Bids must be submitted on the printed form, or exact copies thereof, contained in the Contract Documents.

Any contract or contracts awarded under this invitation for bids are expected to be funded as a FEMA mitigation project. Neither the State or Federal government nor any of its departments, agencies, or employees is or will be a party to this invitation for bids or any resulting contract.

Bidder shall make positive efforts to use small and minority-owned businesses and comply with GS 143-128.

A MANDATORY pre-bid conference shall be held at 10:00 a.m., on June 4, 2019 in the conference room at the LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC to be followed by a site visit at the WWTP, 1000 E. HUNTLEY STREET, SMITHFIELD, NC at 11:00 a.m.
