TOWN OF TARBOR CITY
CDIB INFRASTRUCTURE - REDEVELOPMENT PROJECT
ADVERTISEMENT FOR BIDS
November 2021
The Town of Tarbor City has received a Development Block Grant Infrastructure (DBGI) in the amount of $17,000 from the Brunswick County Development Block Grant (DEG) for the purpose of infrastructure improvements.
The project will consist of like-size dug footings for the addition of five (5) inch gravity sewer main and 16" gravity sewer main and water line along Royster Road as per Brunswick County Specifications and Standard Details.
Submittals are due by 10:00 a.m. on November 23, 2021.

The Town of Tarbor City is soliciting proposals for general administration and professional engineering services to assist the Town in the administration of the grant, developing a final engineering report, and subsequent engineering design and construction proposals for the infrastructure improvements. All work is fund for this project to be conducted in accordance with all applicable federal requirements and regulations under the DEG program.
The fee for general administration services is $17,000. The contractor will be provided with a work plan and the fee for general engineering services is to be reported.
Copies of the detailed request for proposals (RFP) and request for the information meeting is available on the website of the information.

Interested firms should contact the Public Works Engineering Office located at 1979-Tarbor Road, Leland, NC 28451.
