M.H. Kore Company requests proposals for the Campbell County Memorial Health Care Center office building replacement project.

Sealed proposals will be received until 2:00 p.m. on January 16, 2024, in the M.H. Kore Company, 6501 Hospital Dr., Building 2, Roanoke, VA 24018, Attention: Donick P. Haskins, Director of Facilities. A Bidder's Conference will be held on January 10th, 2024 at 10:00 a.m. at the M.H. Kore Company, 6501 Hospital Dr., Building 2, Roanoke, VA 24018.

The work includes the replacement of the existing nursing care unit and square footage, abatement, and partial Roofing Replacement projects that is located on the campus of the hospital at approximately the same time and places.

A Mandatory Pre-Bid Conference will be held on January 10th, 2024 at 10:00 a.m., for both projects. Contractors interested in submitting their qualifications for this project and Moore County Schools New Central Conference Room, 117 Quinn Street, Fayetteville, NC 28301, will issue complete Bid Documents for consideration. The Contractor must be an MBE/WBE firms and will be expected to comply with the provisions of Title VI of the Civil Rights Act of 1964, Executive Order 11246 and 11375 in order to receive Prequalification for the Construction of East Carolina University Central Conference Room 210 East 49th Street, Wilminton, NC 28410.

 Midi-bid meeting will be held at 1:30 p.m. on December 13, 2023, for the UNC Taylor Dormitory & Addition Project located in Greensboro, NC.

The process consists of implementing the MBE- WBE building systems of Taylor Theatre and Programming to ensure that the space will be located in the south corridor to serve the specific needs. They must be of a sufficient size to fulfill the building's intended uses.

The addition has a 3.5 story, 45,000 square foot building throughout, excluding stage lifting, to bring the building up to 3.5 stories. A new stairway with an elevator, and a fire pump to be installed.

The Taylor addition will use existing stair and elevator access points to the stair and elevator access points to the stair on the third floor of the building. This project will provide for the addition to be a new, one-story, 45,000 square foot building.

This project has a goal of 100% MBE/WBE participation and will be open to all bidders. All MBE/WBE contractors are strongly encouraged to participate. The project will be reviewed in accordance with the goals and requirements of the State of North Carolina's Minority Business Enterprise (MBE) Program. The MBE/WBE program is intended to promote and support small businesses owned and operated by disadvantaged minorities and disadvantaged women.
